***Speaking in the First Person***

It gives us pleasure to bring to your kind notice that SIRDA Group of Institutions came into existence in the year 2009. It is situated at the most ideal location just adjacent to the National Highway 21 at a distance of 4 kms from Sunder Nagar on way to Mandi, where sufficient transport facility, both Govt. and private are available round the clock. SIRDA institute is spread over huge area of about 100 Bighas of flat piece of land surrounded by lush green trees from all sides and provides a peaceful, neat and clean environment for studies.

We are aiming at providing better and quality Technical Education to the student keeping in view that , one day they have to serve their country and make her strong to compete globally. We can say that we have one of the best faculty available with us with whose efforts, many of our students have been able to attain meritorious positions in their exams. The Journey is not over as yet, it is just the beginning and we have to go a long way in this direction. Our effort is still continuing to improve our faculty.

We are also available on our official website [www.sirda.in](http://www.sirda.in)

## SIRDA

In our Himachali language truthful meaning of SIRDA is “The Rising Sun” and in reality SIRDA (i.e Sundernagar Integrated Rural Development Association) is a registered society established for the development of society in 1985, set up a polytechnic and an Engineering College in 2009. SIRDA has laid a strong foundation to be the best in imparting knowledge and training to our students in whom we see many Pioneers, Innovators, Creators, Inventors and Developers. SIRDA focuses on holistic development of students. In addition to the core curriculum focus is laid on communication skills and personality development. Regular student events add to the FUN element at SIRDA.

## SIRDA Group of Institutions

SIRDA Group of Institutions is comprises of two institutions namely SIRDA Institute of Engineering & Technology imparting M.Tech in two branches, B.Tech, Degree education in Six branches of Engineering and SIRDA Polytechnic imparting engineering diploma education in seven branches of Engineering. Our curriculum and teaching pedagogy focuses on equipping the students with all the knowledge and expertise in dealing with the corporate world. We are consistently building our network capability with the best professionals, academicians to maintain the relevance of our courses. We have enormous aspirations to realize the vision outlined above. We once again Welcome all aspirants and assure you of a challenging and vibrant environment where together many bench marks are set to be made and many heights set to conquer the meaning of SIRDA i.e. the Rising Sun. Both the institutes are most ideally located on Chandigarh-Manali National Highway at a distance of 5 K.M. from Sundernagar and 20 K.M. from Mandi Town at Tarot, Naulakha Distt. Mandi, Himachal Pradesh.

## CAMPUS

SIRDA Group of Institutions have sprawling campus spread over an area of 20 Acres (95 Bighas) and unmatched infrastructure and is easily approachable from all parts of the Himachal Pradesh as well as from Punjab, Haryana, Jammu and Kashmir.

## UNIQUENESS OF SIRDA

### Teaching Methodology

SIRDA follows a unique 4-pronged approach for teaching the concepts to the students so that they can learn with latitude.

- Classroom learning of the concepts.
- Reinforcement of the concepts through Audio-Visual aids.
- Practice through Projects and experiments.
- Application of the given concept by real life training, visits and tours.

### Student Centered Approach

The faculty believes that the students need to come first; it is readily accessible for personal consultation, student's specific educational needs as well as for mentorship.

### Student Development Cell

Extracurricular plays a vital role in imparting wholesome knowledge. Various opportunities are provided to students to enhance creative imagination, self expression and team working abilities through regular student development cell activities. Frequent industrial visits and career-oriented programmes are organized under its aegis.

### Tutor Guardian System

SIRDA follows the system of Tutor Guardian; as a teacher plays an important role in the academic, social and psychological well being of the student. A class of students is taken care of by each faculty member and the faculty member co-ordinates with parents and college authorities regarding attendance, performance and growth of the student.

## **Audio Visual Exposure through English Language Laboratory**

To make learning more interesting, knowledge is imparted to the students through different mediums. The role of English language is to provide a platform to the students to experience the total effect of learning. Students are able to expand their personal and professional horizons by learning, comprehending and expressing themselves in English language. With constructive discussion, role plays, group discussions and presentations students develop their personality in multiple directions and ready to face the challenges of the professional culture.

## **Hostels.....A second Home**

SIRDA provides most comfortable on campus facility for girls in well designed and planned Hostels. There is a provision to accommodate 400 girl students of both the institutes with a facility of attached washroom.

The hostels have Mess serving nutritional and hygienic meals, central RO system for providing 24 hours clean drinking water, various indoor recreational activities, Medical facility, Gymnasium , Table Tennis, Common room with newspaper, magazines and TV facility, hot water in washrooms etc. At present boys are staying in a hired hostel but the hostel for boys is under construction and will be available with all facilities very soon.

## **Library**

SIRDA focuses on providing maximum exposure of knowledge to students through its special Library facilities. It

serves the students and faculty by providing reading material printed and non-printed both and access to the web, online journals, online books, reference books and digital libraries. The library has a stock of 5000 books, 7 national journals, 22 international journals and magazines which cater to the needs of the students.

## **Canteen**

SIRDA has well established canteen located within the campus where Tea, Coffee, Snacks, Vegetarian foods and other eatable items are available at subsidized rates. Quality and tasty food is prepared in hygienic environment providing wholesome and balanced nutrition. Canteen is open in all working days from 10:00 AM to 6:00 PM.

## **Transport Facility**

Transport facility is provided to the students & staff from Nerchowk, Mahadev, BBMB Colony and Hospital Chowk Sundernagar in its vehicles on the predecided routes..

## **Co-Curricular activities**

SIRDA provides the perfect platform through the various activities to the students to show their talent throughout the year. The celebration of National Days, Teachers Day, Engineer's Day, Women Day, Annual Day, Tech-Fest(Once in a year) are regular features. It provides ample opportunity to the students to show their talent and for personality development through Sports, Field and track events, Gymnastics competition, NSS activities, Students centre activities, Dramatic clubs, Music & dance Clubs, Hobby clubs, Debates & Declamation club, Educational & recreational trips etc.

## Laboratories of Applied Sciences

A modern and professional approach to education is imbibed effectively through practical training and at SIRDA constant endeavour is made to implement this belief thoroughly. For this purpose best of equipments and facilities are provided to the students in laboratories and workshops.

Physics and chemistry labs are well equipped with latest equipments and experimental instruments & kits as per syllabus.

Audio-Visual English Language laboratory is another feather in SIRDA's Cap.

To accelerate effectual learning SIRDA has introduced the novel concept of amalgamation of audio-visual aids with the support of theoretical teaching.

## Internet Facility at SIRDA

The nerve centre of Institutes is IT centre which precisely works on a vision based action. It is future savvy so as to adapt itself for future change.

Salient features :

1. Interdepartmental and inter institutional communication smoothened through internet connecting the entire campus on a single platform.
2. Round the clock internet facility provided through Radio frequency at 4 Mbps
3. Internet access in individual faculty chambers.
4. Wi-fi enabled campus.

## **Training and Placement Cell**

The SIRDA Group of Institutions has set up Training & Placement cell for arranging the training of students undergoing degree & diploma courses and Placement of final year students. The objectives of Training & Placement cell are;

- Not only to earn for the institution but also to open up a two-way communication channel between industry and our final year students of both the institutions.
- To organize campus interviews for pre-final and final year students with industries and business houses of repute from all over India and prepare them to face such interviews.
- To arrange Placement /Project Work/Industrial Training/Industrial visits for the students.
- To arrange seminars on latest topics for the students by the professionals under Industry-Institute Interaction programme. HR professionals and Industrialists are called to guide students concerning need of the industries.
- To encourage students to become entrepreneurs by organizing 'Entrepreneurs Development Programmes.
- To co-ordinate the activities like arranging career guidance, higher education guidance and encourage students to take up industrial assignments/projects.

One of the main responsibilities of the Training & Placement Cell is to motivate and prepare students for successful performance at interviews and subsequent interaction with employers. The students have formal and informal discussions regularly with the Training & Placement Cell team members regarding their future plans. Students have no trouble in finding desirable positions in reputed corporate and business houses. This year 10+3+10 students of CSE, ECE and Civil Engg. Have been selected for jobs in various concerns and offer is given to them to join in July,2013 after their final exams. Their annual packages varies from Rs 2.5 lacs to Rs 5.00 lacs.
